

Dear Harlem Community Center Supporter:

Every year 100,000 cross the threshold of HCC.....they play ball at the Wentland/HCC Sports Complex, they spent quality family time at Project Playworks; their children receive quality early childhood education at the Hand-n-Hand Child Care Center; they make memories with their friends at the Summer Fun Camp; and the list goes on and on. To provide these services, HCC needs to fundraise over \$200,000 every year.....yet that is never enough to keep up with improvements and repairs needed.

HCC is excited to announce its new fundraiser – a 2019 Cash Calendar. We hope you will be part of this exciting fundraiser. Individuals will purchase a calendar for \$20 and then have the opportunity to win cash prizes of varying amounts every day of 2019. There will over \$17,000 in total prize money awarded through daily prizes.

We will have **two** sizes of advertisements available for purchase within the calendar – a **\$500 option** and a **\$250 option**. There is a sample month layout on the back of this letter for you to view. We hope we can count on your support through your purchase of at least one ad in the calendar.

Harlem Community Center believes the best way to help ensure children's success in life is to provide them with positive role models, build their self-esteem, give them a safe place to play and make friends, provide them with new skills, and support families as they spend quality time together. Let's start our youth on the right path to a successful future.

Please contact me at 815-633-8433 or at shannon@harlemcommunity.org with any questions.

Thank you for your support,

Shannon L Scheffel
Executive Director
Harlem Community Center
