HELP SUPPORT OUR CHILDREN

Harlem Community Center provides recreational activities for hundreds of children each year. Whether it is baseball, softball, basketball, volleyball, or soccer, HCC is there to support the development of our youth. Can you help us provide the quality of services our families deserve, while at the same time, showing the community your support?

This year HCC is offering advertising at the Sports Complex and in the gymnasium. What a great way for your name and logo to be seen by thousands of people! In addition to the 700+ children and their families who are at the Complex all summer, the Complex is rented out every summer weekend for tournaments with players from all over the United States. 800+ children use the gymnasium during the fall and winter; again all seeing your name and logo.

HCC has many different levels of sponsorship available. **Please consider helping us to help our children.** HCC relies on the support of the community to build and expand our programming.

If you have any questions, please feel free to contact Shannon Scheffel, Executive Director, at (815) 885-4862.
